Proposed School Building Plans Will Be Presented

The regular meeting of the Olds School Division was held yesterday, May 13, at the school with Councillor Tom Morris, Vice-Chairman G. Z. H. Van Haastert and trustees E. G. Elbergott, L. R. Baldwin and D. A. Burke in attendance. Inspector X. P. Crispo was also present.

John Stevenson and John Cook, architects from Lethbridge, presented sketch plans of proposed new schools which were approved by the board, subject to minor changes. Mr. Stevenson said he hoped to submit plans to the department of education for approval within 10 days. Schools affected are May City, Hartland, Garrison and Didsbury.

It was decided that the division, in conjunction with the department of education, would provide bursaries in the amount of \$300 to approved candidates eligible for enrollment in the Faculty of Education for either one-year programs leading to a temporary license or for the first year of the two-year program leading to the Standard E. Certificate.

In addition to the above the provincial government will pay directly to the University of Alberta the tuition, registration, library and meal expenses of approved students.

Pupils contemplating attendance at schools other than those of the division must apply for board permission. Failure to do so may result in the board refusing to pay tuition fees. Applications for this permission, fees, full particulars and reasons, must be presented on or before Aug. 10.

Word was received from the Alberta Safety Council to the effect that Jeannette Redekopp of the Salem school is first prize winner for Grade 3 and S. J. Farm Safety Essay Contest, and Raymond Heir of the Tan-y-bryn school took first prize in the same contest for Grades 5 and 6. The winners each receive a pin from the Safety Council and a plaque will be presented to the respective schools. Arrangements are being made by Mr. Crispo, Mr. H. Hammett, M. L. A. and trustees to make the presentations May 22.

The school plans mentioned above were outlined in the Byrne report, a copy of which appears elsewhere in this issue.

It was decided no holiday would be declared in place of May 24, which this year falls on a Saturday. Also June 9, the Queen's birthday, will not be a holiday. However, Farmers' Day, June 13, is a statutory holiday.

Schools in the division will end their term Monday, June 30.

Will Not Raise Young Pheasants This Year

At a general meeting of the Didsbury Fish and Game Association held in the Lions' Hall Friday evening, May 16, the raising of pheasants was discussed at length and it was decided that, due to lack of proper facilities for rearing day-old pheasant chicks, the local association would not attempt to raise pheasants here this year.

The annual fish derby will again be held this year and the date will be given when the largest fish weighed in. Members and their families will be eligible to enter the competition, and all fish must be taken in the Red Deer and Clearwater Rivers or tributaries to these streams.

Fishing prizes will again be given this year but the rules have been changed somewhat. It is now necessary to bring in only 50 pairs of crow or magpie feet to qualify for a ticket on the draw for prizes. The association will put up the prizes, which will be drawn for, and G. E. McDonald will present the association with a complete fishing outfit, which is to be given to the boy or girl with the largest number of feet brought in.

The association is planning its annual fisherman's picnic for which there will be a show and there will be a fisherman's parade with prizes for the best-dressed fisherman and fisherwoman and child. It is expected to have a guest speaker for the evening.

C.P.R. TRAIN TIMES AT DIDSURY

NORTHBOUND:
No. 521—Flag stop 11:10 a.m. daily.
No. 523—Daily except Sunday, 11:32 a.m.

GOVERNOR-GENERAL REVIEWS SCOUT-GUIDE PARADE

When from 6,000 to 7,000 Brownies, Wolf Cubs, Girl Guides and Boy Scouts held their 14th annual parade in Hamilton Ont., on May 17 they were reviewed by the governor-general, the Hon. Vincent Massey, who is also Chief Scout for Canada.

Shopping Carnival Ends On Friday

The current Shopping Carnival, sponsored by the Didsbury Board of Trade, ends tomorrow Friday at 6 p.m. Shopping bazaar and service concessions offered by participating firms have so far been very well received and a grand climax to the event is expected.

Rules of the event are the same as previous carnivals and prizes to be awarded include a \$100 cash show window of Fullmann's clothing store. Remember, each dollar's cash purchase of goods or services offers an opportunity to win one of these valuable prizes.

Draw for the lucky winners will take place Saturday night at the Didsbury Opera House.

Ticket holders do not have to be present to win prizes but those fortunate enough to have their ticket drawn must claim their prize within two weeks.

BIG DAY PLANNED AT OLDS MAY 24

Mrs. Ernie Lowrie welcomed 16 new members to the club to join her home for the May meeting of the Zeila W.I. Six members from Bancroft Institute braved the hazardous roads and were guests for the afternoon. Mrs. F. Baten was welcomed as a new member and membership now stands at 17. Mrs. Eaton also won the door prize.

Also on the day's program will be the annual tea meeting with one game in the evening, horse racing, carnival events and a grand dance at night.

Proceeds of the day go to the Olds Agricultural Society.

WEST NOTES

The Elton Willing Workers met at the home of Mrs. G. Hogg last evening and discussed the work of the various branches of the W.I. members present. A large quilt was tied for the Red Cross and those not employed on this sewed Red Cross quilts from all over Alberta will compete in the thrilling event, which is C.P.A.-approved. Under these conditions top flight entertainment can be expected.

Also on the day's program will be the annual tea meeting with one game in the evening, horse racing, carnival events and a grand dance at night.

Proceeds of the day go to the Olds Agricultural Society.

This unusual shot shows a rainbow trout caught at the height of its leap to clear the six foot Nicholson Dam near Alliston, Ont., 10 miles northwest of Toronto. Considerable patience and skill was required by the photographer to snap the fish as it made its way to breeding grounds on the upper reaches of the Nottawasaga river.

Flash Storm Results In Blackout Here Wednesday

MRS. S. DEVINE HOSTESS TO KNICKEL UNITED CHURCH W.M.F.

On Monday evening eleven members of the Knickel United Church, Wimberly, a missionary service, met at the home of Mrs. S. Devine. Papers were read on Temperance and Christian Stewardship by Mrs. L. Roach and Mrs. B. Parker. Report of Music Band and Explorer Group activities was presented by Mrs. C. Thompson.

Mrs. Reid Clarke spoke on the C.G.L.T. Affiliation Service held on Wednesday evening, and the study, "French Canadian Protestantism," was taken by Mrs. Wordie. Mrs. C. Thompson was in charge of the devotional period, assisted by Mrs. N. Clarke.

The meeting closed with a social hour.

Eight Delegates For Socred Convention

The Didsbury Social Credit Group held a reorganization meeting on Monday evening, May 19, at P. E. Liesemer's home and H. Erb was elected president, M. Weber vice-president, and Mrs. C. Rapkin, secretary.

The group has 78 members which gives it the right to send eight delegates to the nominating convention at Carslars on May 21. Eight delegates were appointed to attend the convention.

Delegation Attends Town Council Meeting

At the regular meeting of the Didsbury Town Council Monday evening the Canadian Institute for the Blind requested permission to hold a meeting in town some time in October. This permission was granted.

A delegation of citizens met with Council to request that the water and sewage system be extended south from Miss Willison's corner to the Burgess mill area, about one-half mile. The group agreed to dig the required ditch if the town supplied the pipe. The engineer will be asked to report on the probabilities of the extension.

A petition was presented to Council requesting a street light on the Pete Hiebert corner. This matter will be investigated.

REDEEMER LADIES' AID HOLD REGULAR MEETING

At the May meeting of Redeemer Ladies' Aid the topic for discussion was the background of the Book of Proverbs. Roll call was answered by Mrs. F. Baten.

Mrs. F. Baten was appointed to arrange for singing for the month of June, and May 29 was the date set for clean-up day at the church.

It was decided to purchase linoleum for the parsonage kitchen.

Mrs. Fox volunteered for the sick committee for May.

The meeting adjourned with the Lord's Prayer and lunch was served by the hostesses, Mrs. J. Reinhardt and Mrs. R. Reinhart.

Lone Pine Institute Makes Dance Plans

The Lone Pine W.I. held its May meeting at Mrs. Jack Underhay's with an attendance of 11 members and two visitors. Roll call was answered by exchange of slips and garden seeds.

Three dollars was donated to the Missions Fund Ball League to help buy a cup for competition this season. Mrs. Floyd Ahlgren gave her report on the convention held at Olds.

Mrs. Alan Hughes gave a paper on Canadian Indians.

Findings of the meeting were made for a dance on May 23. Ladies of the W.I. are asked to bring cakes.

A contest was sponsored by Mrs. Sandy Brander on animals, which was won by Miss Merlin Siebert.

The meeting adjourned with the singing of God Save the Queen.

Special Bank Credit Restrictions Lifted

Canada Monday eliminated all special bank credit restrictions with the exception of loans on stock and there were indications that another of the few remaining inflation controls, deferred depreciation, may be suspended within a month.

With prices pointing upward, the bank of Canada announced it had informed all chartered banks that the special policies on credit restraint imposed 15 months ago, now could be suspended.

WESTERDALE

The May meeting of the Willing Workers was held at the home of Mrs. L. Jones on June 1st Wednesday afternoon with ten members present. The meeting opened with the singing of "Old MacDonald Had a Farm" and followed by repeating the Creed. Roll call was answered by an exchange of plants and seeds.

After the meeting, from 7 to 8 p.m. Mrs. Smith, Home Economist, Red Deer, stated that the sewing course desired by the Club could be held on July 7, 8, 9, 10. Miss Smith plans to attend the June meeting to speak with the ladies regarding the sewing course and anyone desiring to attend the course should call for information which will be held at the home of Mrs. L. Jones on June 3. All members are asked to bring lunch.

The decision on whether to hold a picnic this year was held over till next meeting.

The hostess tea money prize was won by Mrs. A. Jones.

The local boys played a ball game on the home diamond last Thursday evening with Olds and scored an 8-10 victory.

Sunday's game played at Hainsstock was chalked up as another loss.

SPECIAL PRICE
GREASE GUNS

with
MARVELUBE
GREASE "O" and "1"

DELIVERED RIGHT TO YOUR FARM

Once again here's an opportunity to save money on high-grade grease guns. Choose whichever you please at a special price with every 25 lb. of Marvelube grease. A good grease gun not only saves time but you can't get good lubrication unless you have the proper gun to force out old grease and dirt out of your bearings. Neither can you get good lubrication unless you use a high-quality grease.

Marvelube Greases "O" and "1" Stay with the Job!

Marvelube "O" and "1" are high-quality greases that stay with the job, reduce wear and dirt, protect moving parts from wear and add to the life of equipment. Marvelube Grease "O" is ideal for cold weather use. Marvelube Grease "1" is a popular heavy-duty grease for warmer days. Choose the one best suited to your job.

JAMES CURRIE, Editor and Publisher

A HOSPITAL WITHOUT LIGHTS !!!

Just last week we printed the impressions of one person who had visited the Didsbury Municipal Hospital on Monday, May 12, a day set aside for special thought for hospitals throughout Canada. It was an unbiased report on conditions, accommodation and equipment at the local hospital and gave those who are unfamiliar with the institution an insight on what could or perhaps should be done to improve what is already a fine hospital.

However, the flash storm on Wednesday night brought forward a glaring inadequacy in our hospital equipment, which overshadows in our opinion, anything which has been previously mentioned.

At approximately 8:30 p.m. Wednesday lightning struck a Calgary Power sub-station in town and electrical power was off for more than an hour. At the time an operation was taking place at the hospital. Emergency equipment available consisted of one six-volt battery system which apparently was not even in good working order. At its best it certainly doesn't sound like proper auxiliary equipment for an institution where the difference between life and death could rest largely on a dependable source of electrical power.

On very short notice Wednesday night an auxiliary lighting plant was rushed to the hospital and a power line was laid into the operating room, permitting the operation to be successfully completed.

We didn't ask if it was an emergency operation; we didn't ask if it was a serious operation. The impression we have is that any operation is a serious one, any operation is an emergency — if it has to be done with inadequate light or power.

Not knowing just why this particular piece of equipment is not a standard (or compulsory) part of every hospital (possibly even now action is being taken to alleviate the local situation) there is no intent to lay this neglect on the shoulders of any one person or group.

Our wish is only to see the situation remedied, soon, and if monies are not available from the usual source from which the hospital draws its funds it should be solicited for in some manner.

Think it over! Would you care to have one of your family on an operating table, with the power off? You may have the best doctor in the world, but can he see in the dark?

**Agricultural SERVICE BOARD NOTES**W.K. Snyder,
Field Supervisor**PLANT COMPETITION AND WEED CONTROL**

Competition is a natural force whereby each living organism tries to attain maximum advantage at the expense of other living organisms occupying a common feeding area. In agriculture, the crop and weed plants grow together in the same field and both have their definite requirements for water and nutrients. Usually, all the growing factors, or at least some of them are not present in quantities that are sufficient to assure the development of the crop alone.

Under such circumstances any weed plant takes part in the limited supplies and ultimately reduces the vigor and yield of the grain plants. Plant competition is of immediate financial concern to every farmer, rancher or plant grower.

1. Weeds do their damage to crops through competition with them for moisture, light, nutrients.

2. The majority of common weeds will mature and shatter their seeds before the crop is harvested. This helps to complicate ultimate eradication.

3. An important field crop consists of larger seeds which can germinate from greater depth. In shorter time, in higher percentages and at lower temperatures than most broad-leaved weeds.

4. During the first weeks after emergence, all grain crops grow more rapidly and develop larger root systems and leaf surfaces than do common weeds.

By taking into consideration the biological differences between crop and weed plants, and the skillful application of cultural means, it can result in assisting the crop while at the same time depleting the weed population.

ROSEBUD LEAGUE BASEBALL SCHEDULE 1952 SEASON

The Rosebud League will this year be composed of eight teams: Cremona, Madden, Crossfield, Airdrie, Bowden, Olds, Bowden Institute, and Bowden Institute. League opened May 18, and for the convenience of ball fans a copy of the schedule appears below. Cut it out for future reference.

Sunday games will be at 6 p.m.; Wednesday games at 2:30 p.m.

Wednesday, May 21—
Madden at Airdrie.

Olds at Madden.

Wednesday, July 9—
Cremona at Bowden.
Didsbury at Airdrie.

**Bancroft W.I.
Holds May Meeting**

Mrs. L. Burnett entertained at the May meeting of the Bancroft W.I. with six members and two visitors were present. The meeting opened with "What A Friend We Have In Mother", and the creed. Roll call was answered by showing a finished hobby article. The minutes of the previous meeting were read and approved.

It was decided to donate a share towards a trophy for the School Softball League.

Plans were made for the Grandmothers' meeting which will be held in June at the home of Mrs. P. Hauser.

Mrs. Hoshin gave an interesting report on the Olds District Conference and Mrs. H. Swanson, the handicraft convenor, gave a paper dealing with the use of color from nature in handwork.

A raffle was won by Alma Swanson.

The meeting closed with God Save the Queen, after which the members enjoyed lunch.

NO CATTLE BANTS AT CALGARY EXHIBITION

Officials of the Calgary Exhibition and Stampede stated that at the present there are no plans to prohibit cattle from entering the province from entering this year's summer show. Although several prairie associations had canceled livestock shows due to the foot-and-mouth disease in Saskatchewan they were no similarity of plan to be taken at Calgary.

The livestock show in Medicine Hat will be canceled due to this situation while at Medicine Hat the rodeo has banned livestock from Saskatchewan from entering the show.

A meeting is being summoned in Edmonton show authorities to consider what classes of livestock will be shown at the summer fair.

At Regina and Saskatoon there will be no exhibition or prizes offered for cattle, sheep or swine.

However, the two fairs are making plans for having horses, consisting of race, light and draft classes as the feature attraction of the livestock exhibition.

This decision also was due to the foot-and-mouth disease. Among the horses to be shown are to be 32 Royal Canadian Mounted Police horses which will be used twice daily for the musical ride.

A large exhibit of farm and industrial machinery will be on display as well at these two fairs.

Byrne School Survey
Reported In Brief

The following is a condensed version of the survey report made by high school inspector T. C. Byrne for the Olds School Division. We will reprint portions of the report for the next few weeks to familiarize people with the proposed reorganization.

The report is intended to serve as a guide to the Divisional Board in the establishment and further development of school centres through transportation. The ultimate aim of these or similar plans for reorganization will of necessity take several years.

The major purpose for rural school reorganization, which is primarily for junior and senior high school grades, are:

(1) To effect economies by closing small schools. Any enrollment below 10 pupils may be considered uneconomical.

(2) To improve elementary education by establishing graded centres with adequate but not heavy enrollment.

High school services are extended in Alberta by two methods: (a) dormitories, where provided reasonably sized centres may be developed without excessive van mileage; the writer favors the local or regional high school. Such schools are likely to encourage high school attendance to a greater degree than bus arrangements. Secondary students may be traveling teachers offset to some extent at least, the limitations of the small high school program.

Methods of school reorganization: (1) Complete centralization involving the removal of all students to the central point, occurring usually in areas with small enrolments. There will be no dormitories.

(2) A second procedure is to convey students from Grades VII to XII between the primary school operating in the district, as a reasonable solution in thickly populated areas. The junior and senior high school students enjoy the facilities and special services of the central school as shop, home economics, typing, gymnasium, etc., at times when it would be difficult to profit from them. When the population of the elementary grades drops below 15 the pupils of these grades may be conveyed as well.

(3) A combination of the two would result in the conveyance of secondary students by bus, leaving districts and all pupils from the districts closer to the centre.

The reorganization of schools along the lines suggested would bring nearly all the districts of the division within a conveyance system to be determined by the government. Certain districts, lying at the extreme edge of van routes such as Eagle Valley, Eagle Hill, Harrmann, Westcott, Jackson, West Hope, Banner, Reed Ranch, Poplar Creek and Banfford might eventually seek association by road extension or by fixed vans. Other districts such as Green Acres, Rodney, Davis and Scotia and Eldswold-Bergen and Inverness, will no doubt make feasible two-room centres.

The districts on the western edge of the division such as Water Valley, Bluff, Graham, Fallon Timber and Bearwill will always provide difficulty in centralization. At the most not more than 15 to 20 districts should lie outside the orbit of a good high school centre.

In all probability the numbers of high school students in these districts will be so small that any duplication of the service now existing at Red Deer would be expensive and unnecessary.

Next week we will cover more points of interest in the Byrne report.

FARM ACCIDENT — 1952 VERSION
A Munson farmer, sitting on one of his sheep, hit his foot against the mouth of a mouse in it. He stamped his foot hard on the floor with the mouse still in the shoe, and fractured a small bone in his heel.

The rodent was dead when shaken out of the shoe.

A man should never be ashamed to say he has been in the wrong, which is but saying in other words, that he is wiser today than he was yesterday. —Alexander Pope

CHRISTIAN SCIENCE

The fact that life everlasting is not to be found in matter but in Spirit will be emphasized in Christian Science churches Sunday during the heading "Mortals and Immortals." The Lesson-Sermon will include this statement from "Science and Health with Key to the Scriptures," by Mary Baker Eddy, (p. 2): "Truth destroys mortality, and brings to light immortality." And the Christian admonition from St. Paul: "For he that soweth to his flesh shall of the flesh reap corruption; but he that soweth to the Spirit shall of the Spirit reap life everlasting." (Galatians 6:8).

Idle Workers And
Vacant Jobs

A friend inquires why able-bodied men should be drawing unemployment insurance benefits in the cities while farmers are unable to hire the help necessary to cultivate their fields.

The answer is that few city dwellers have any inclination to do farm work.

There are many reasons for this attitude, some as old as history, some as modern as unemployment insurance and the welfare state.

City dwellers have never looked favorably on farm work because such work doesn't offer them the things they want.

It doesn't offer the short hours, the pay week, the holidays with pay, the wages based on the worker's need regardless of the value of his work, or the variety of companionship and entertainment, or the unemployment insurance or retirement pensions that the city offers.

The farmer can't provide all the things for his hired help. He has to get his living out of the land; and the land doesn't reward him according to his need, but only according to his work. He can't call on a government official to tell him how to live on his land simply because he needs more. He is dealing with nature and has to be realistic. He has to cut his coat to suit his cloth.

There was a time when unemployment in the cities would drive workers to the farms. Now unemployment but unemployment insurance has put an end to that. Why should a man work on a farm when he can get \$21 a week unemployment insurance for doing nothing.

In our economy the cards seem to have been stacked against the farm workers. But after 20 years of it, such a worker will probably have a farm of his own and be dependent on no man for his job, while his counterpart in the city will still be working under a boss, wondering how long he will be able to hold his job, and wishing he had been more careful of his earnings.

Your small hand-operated can opener will work more effectively if you run a stream of hot water over it before you begin piercing the can.

-: DISTRICT NEWS :-

WESTCOTT

Mr. and Mrs. John Bogner of Calgary have been up at the farm helping their son harvest the crop and get a new seedbed.

We are pleased to see that Mrs. William McDonald is making improvement in health since her treatments at Olds.

The Holmquist boys, Neil and Donald of Calgary, were accompanied home over the weekend by friends from the city. The family enjoyed the get-together in honor of their mother's birthday.

Miss Marjorie Holmquist is helping out at L. Neudelt's home, north of Didsbury.

Some of the early sown crops are making a healthy appearance and the few scattered showers of the past week will aid the growth of gardens and crops alike. However, farmers still are complaining of fields being too wet to work and consequently must be left to a later date.

Mrs. Margaret Robertson acted as substitute teacher in the Water Valley school all of last week.

Miss Marjorie Gosnell spent a few days recently with her sister at Eckville. Doloyce, incidentally, is coaching a teen-age girls' softball team at Eckville and figures Marjorie could give them a few pointers.

Mr. Henry Wishusen was in Calgary from his medical attorney on the advice of her doctor here. Mrs. Wishusen hasn't been well for some time and we all wish her a speedy return to good health.

CREMONA NEWS

Mr. and Mrs. B. Hewitt and family motored to North Battleford, Sask., last week and visited with Mrs. Hewitt's parents.

Mrs. W. Bandebro and Darlene Banff have been visiting for several days with their parents, Mr. and Mrs. E. Bandebro and with Mr. and Mrs. P. Bandebro.

Mr. and Mrs. L. Rankin of Lambecombe, Manitoba, were weekend guests at the home of Mr. and Mrs. Charles Reid. Mrs. Rankin is Mr. Reid's sister.

Mrs. E. Reid visited in Calgary for two days this past week.

Mr. Ralph Ferris of Calgary was a Tuesday evening guest at the home of Mr. and Mrs. C. H. Waterstreet and family.

The Bowmont Club met on Monday evening, May 12, at the home of Mrs. R. Bowman. First prize was won by Mrs. Jerry Slimington and consolation by Mrs. McQuarrie.

South West Didsbury

Allen and Larry Hunsperger have been on the sick list the past week.

Mr. and Mrs. Carl Meyer, Mrs. George Meyer and George were Calgary visitors on Thursday.

Mr. and Mrs. J. J. Tugge and Mr. and Mrs. E. Dippel and family were Sunday dinner guests of Mr. and Mrs. E. Deadrich.

Mr. and Mrs. Ernest Good and Nelda were Sunday dinner guests of Mr. and Mrs. Alvin Steckley of Canmore.

Mr. and Mrs. Carl Meyer and family were Sunday dinner guests of Mr. and Mrs. Cecil Weber.

Mr. and Mrs. Jack Edwards and family were Sunday guests of Mr. and Mrs. L. Dickau.

Carole Dippel spent Sunday with Mr. and Mrs. J. Winterbottom and Linda.

Miss Mildred Artman was a Sunday guest of Mr. and Mrs. H. W. Folkmann and family.

Mr. and Mrs. M. Dippel were Sunday guests of Mr. and Mrs. C. F. Stroud and family.

Mountain View Community Hall United Missionary Church Rev. W. D. Annett, Pastor

SUNDAY, MAY 25
10:30 a.m.: Sunday School.

11:30 a.m.: Worship Service.

Miss Myrtle Anderson, returned missionary from Africa, will be the special speaker.

You are all welcome to each service of the church.

M.V.B.C. NEWS

A farewell party in honor of Mr. and Mrs. Fred Swalm, pioneer residents of the district, will be held recently at the College, with more than 100 friends in attendance. The guests of honor sold their holdings in the district and have retired to Calgary to live.

Rev. Ray Swalm was chairman for the reception and presented the couple with a set of Remembrance silverware from the church.

Mr. Swalm, who has been active in the church for many years, accepted the gift and spoke of the early days in the district when he arrived with his youth.

The evening was planned by Mr. and Mrs. Ira Stauffer.

Elven Swalm will remain on the farm with the new owner for the summer and his sister, Helen, has moved into town.

The front lawn of the College is taking on a new look these days. Several of the high school students have been doing an excellent job digging around shrubs, trees and flower beds. The lawn mower certainly has hacked the grass a bit, but the students will have a new one soon and then the lawns will do a superb job on their own.

Saturday was a high day at the College. The L.S.C.F. group were very busy under the leadership of their president, David Archer, and executive and committees.

Chinese pie and cakes were brought to the kitchen early in the morning, so that about 50 young people did a superb job on the "Rock" by 11 a.m. for the weiner roast.

Students were with the first arrivals and continued after lunch at noon. During the afternoon Mr. Joe Curry, director of L.S.C.F. for Alberta, directed discussions on The Christian in the Church, the Home and the School. It was exceedingly interesting to each young person present.

At 6:30 p.m. over 60 persons met in the dining hall of the College for the banquet prepared so skillfully by these young people. Miss Zook, Mrs. Oke and Mrs. Earl Archibald graciously served the meal for the students. Several students did a lovely job. The tables were decorated in true banquet style with lovely bouquets of tulips and carnations, and candles, interspersed on the long "U" shaped arrangement of tables.

Mr. and Mrs. E. Bandebro, chairman of the occasion. Mr. Curry introduced several leading young people who spoke briefly, and a number of excellent musical numbers were given during the banquet.

Rev. Mr. Langford, pastor of Bethel Baptist Church, Calgary, was the speaker of the evening. The young people will not soon forget the positive challenge he presented.

We congratulate these fine young people on their efficiency and commend them to the entire community as students who are endeavoring to raise the standards of our town and district.

Mr. and Mrs. John Wilson have returned to the College for a day or two. They are leaving for Youngstown, Ohio, soon and will be engaged in farm work for the second part of the summer months.

Mr. Wilson expects to take some additional work in advanced piano.

FALLEN TIMBER

We are glad to hear that Mrs. Francis Webb is out on the mend and feeling much better.

Bill Moncy lost his shirt in a grain loader. Fortunately he was not hurt.

Mr. and Mrs. J. H. Cooper, James and Keith, were visitors at Graham, Sunday, and at the homes of Mr. and Mrs. Earl Lougheed and Mr. and Mrs. J. Howton a week ago Sunday.

Mr. G. H. Gome was a visitor at the home of Mr. and Mrs. Fairly recently.

Mr. and Mrs. E. Lougheed were guests of Mr. and Mrs. John and Mrs. John Howton Saturday evening.

Mr. Archie McMullen, who has been studying for the ministry in Vancouver, is home for the holidays.

The newlyweds, Mr. and Mrs. Glenn Cooper, are back from their honeymoon.

LITTLE ITEMS OF LOCAL INTEREST

Mrs. Sidney Fox left Friday with her daughter, Mrs. Don Newton, for Sacramento, Cal., where she will holiday for several weeks.

A meeting of St. Cyprian's W. A. was held at the home of Mrs. Jiggins on May 13 and plans were made for a strawberry tea to be held in June at the Lions' Hall on either June 14 or 21.

—There will not be a midnight preview at the Didsbury Opera Theatre on May 25th.

In the Market Festival held at Edmonton last week the CPS Trophy was presented by the Sun-Waite Broadcasting Co. to Florence Chamberlin who sang in the contralto class "He Shall Feed His Flock". Mrs. Huber, the adjudicator, stated that the mood was well understood and that Miss Chamberlin's musical pose and phrasing were commendable.

Joel Barrett has completed his term at the University of Manitoba and arrived home last week to spend the summer with his parents, Mr. and Mrs. Roger Barrett.

The Town of Didsbury has erected stop signs at various intersections to prevent accidents to motorists and pedestrians alike. It appears some motorists are disregarding these signs and action will have to be taken should this continue.

—The Variety Store has hardware and enamel paint on sale at less than cost price, to clear during Carnival week.

Reg. Domoney of Penhold and a passenger in his car, Ray Benson of Didsbury, were treated in hospital at Red Deer after their car collided with another driven by W. Schneidemiller of Didsbury, two miles south of Red Deer.

—For good strong healthy setting-out plants see what the Variety Store has to offer.

Mrs. Adam Konschuh, Diane and Judy, spent the weekend in Calgary with her daughters, Mrs. Ted Frost and Mrs. Edward Morash.

Mrs. Ed Barton is a patient in the Didsbury hospital.

Mr. and Mrs. J. V. Berscht returned last Sunday from a six weeks vacation at the West Coast.

Mr. and Mrs. W. J. Scheidt entered at a turkey dinner last Sunday in honor of Mr. Scheidt's birthday. Guests were Mr. and Mrs. D. Bowden, Mr. and Mrs. J. W. Rupp and Betty and Mr. O. Hansen.

APPLE TREE PLANTED IN 1905 STILL BLOOMS

The old apple tree which was planted by the late Mr. C. L. Peterman in 1905 (now in Austin's yard) is still bearing fruit, an unusual

and is being admired by many people, especially the Ontariotites. All are welcome in the yard to view the tree, says Mr. Austin, and reminisce about "Back Home." Too bad the splendid showings of blossoms did not last longer.

—Dr. and Mrs. James Francis and two daughters, Peggy and Patry, motored up from Calgary Sunday afternoon and were entertained by Miss Grace Hunsperger.

—The weather the past week has been rather light to agreeable, rain has fallen over most parts of the district. A heavy shower fell in town Sunday afternoon and again Tuesday afternoon.
